Posición 31 en el Ranking Expansión 2023 de los Principales Despachos en España

JDA en la posición 31 del Ranking Expansión 2023 de los mejores despachos de abogados de España

El diario Expansión publicó el pasado mes de mayo su informe jurídico anual sobre la situación en la que se encuentran los diferentes despachos de abogados y el ranking de las mejores firmas en servicios legales en toda España. En JDA participamos en el ranking Expansión desde 2018 y, en este plazo, la firma ha pasado de la posición número 41 a la 31, escalando 10 posiciones en tan solo cinco años gracias a nuestra política de expansión y crecimiento de mercado.

The background image shows a modern office environment. In the foreground, there is a light-colored wooden desk. Behind the desk, a computer monitor and keyboard are visible. On the wall, there is a framed portrait of a woman with dark, curly hair, wearing a light-colored, possibly historical, garment. The lighting is warm and focused on the desk area.
